

LOOK AROUND (Stephane LEBOURG)

Capo 5

Am **Dm** **Am**
Looking after someone who could understand

F **C** **GAdd11** **G**
The way I feel, the way I live

Am **Dm** **Am**
I try to look around, to go through

F **C** **GAdd11** **G**
What a merry-go-round me and you

F **C** **G** **Am**
I close my eyes not to be

F **C** **G** **E**
Like the other guys and it's not easy

Am **Dm** **G**
Take a look around

Am **Dm** **G**
Take a look around

C **E**
Take a look around

One against all, we'll do it again
The curtain falls, but it 's not the end
It's a new beginning, I love the past
Forget what you're missing and the struggle will last
I close my eyes not to see
How they try to take and make it easy
Try to look around

I shout and upside down
My head in the clouds, my feet on the ground
I sing for you, can't you hear the sound
Even if, it's true, I don't know where I'm bound
You opened my eyes, thank you so much
I won't trust their lies for the final touch
Take a look around
