

# That's no lie (Stephane LEBOURG)

**G**  
They did it

**Em**  
Almost at the same time

**G**  
And every one around me

**Em**  
Believe it was their time

**Am7** **D** **G**  
But I can tell you, I can tell you now

**Am7** **D** **G**  
That I will never, I will never die

Who can tell us  
When is the right time  
Before the hour approaches  
There're gonna be some signs

**Am7** **D** **G** **Em**  
I wanna tell, I wanna tell you now  
That I will never die

**Am7** **D** **Em** **Em**  
Caught in the middle  
**Am7** **B7** **B7**  
In the crossfire

I had a strange feeling  
About all these things  
It's a kind of creepy  
Pain and emotion it brings  
So I decided, and I won't be shy  
That I will never die

They've both gone  
Crossed the finish line  
Living us alone  
Gone over to the other side  
So I decided, and that's no lie  
That I will never die

Caught in the middle  
In the crossfire

**Am7** **D** **G** **Em** **Am7** **D** **G** **Em**  
So I decided, and that's no lie, that I will never, I will never die  
**Am** **D** **G** **Em** **Am7** **D** **D#** **F** **G**  
So I decided, and that's no lie, that I will never, I will never die
