

**Freedom is outside**  
(Stéphane LEBOURG – Thierry LEBOURG)

What did you learn today  
What did you read  
What did the teacher says  
He thought we need?  
He says the world's allright  
If you obey  
And if there's a fight  
You are the prey

The government is good  
It's there for you  
They give us our food  
They speak the truth  
Policemen are my friends  
They care for me  
The bad man wears a chain  
So he can't flee

REF :But I know freedom is outside  
When I go at random and keep my pride

There's got to be order  
In the classroom  
And in the word: order  
Each one his room  
If I don't learn, I'm bad  
I'll be a fool  
I should do like my dad  
Accept the rule
