

CHEATING

(Stéphane LEBOURG – Thierry LEBOURG)

Don't you call me back, babe
I'm not your man anyhow
Don't you try to keep me back, babe
I'm gonna find my way somehow
We fought we'd found the way, gal
You said you were happy, then
We had nothing to fear, gal
We had many good friends.

REF. : I left you 'cause I knew, babe
You had another guy, though
You said it was just a game
But the dice has fallen now

Now go your way alone, babe
I won't be too resentfull
'Cause to me it's all the same
Though you took me for a fool
We never did too much talking
Maybe that's the reason why
You started weeping and cheating
But I'm all right now, I'm all right
