

BACK TO ME
(Stéphane LEBOURG – Thierry LEBOURG)

Oh my Mama she left me
Left me for an other man
I'm gonna leave my babe
I'm gonna take the next train

Make it for the west tomorrow
'Cause it's all over now
When I'll be back, I dunno
See me when the raven crow

REF . : Tell me
Why did you do that
I have to know
Tell me
When will you be back
Back to me
I wanna know

Where the gold flows of plenty
And the crops and orchards grows
I'm gonna take my chance, babe
And get rich and famous, you know
