

PROUD TODAY
(Stéphane LEBOURG)

I was waiting for you
I was looking for a pretty girl
It was 1981
I didn't know how to do
And I was shy
That's true
At the very beginning of september
On a sunny monday morning, remember
We were two
And I talked to you

I wanted you more than a friend
But it was not easy
To catch you
The other guys of my band
They always try to laugh at me
That's true
At the very beginning of the school year
I was living in a kitchen, remember
But without you
And I talked to you

And I'm proud, today
Together hand in hand long is the way
Better and better from day to day

I woke up at seven ev'ry morning
And went ev'ry day
To that station
Well, that's strange
I was able to find the way
Every day
At the very beginning of september
We were young and didn't care of the future
But for you
I'll do anything for you
