

The ring
(Stephane LEBOURG)

I am looking at the ring
I put on your finger
It was at the very beginning
And I still remember
It meant a lot to me
Much more than a ring
We were young, and finally
It was my best thing

Today I feel fine
See all the things we made me and you
But will I have enough time
To do all I wanna do
Everything goes so fast
And I'm so slow
I don't want to live in the past
But it helps me to grow

Listen
There are things I am missing
But when I open my eyes
I realize
I'm far away
Listen
There are things I am missing
But I try
To live the time
I try

Well, I went to your home
And I'm under your window
I don't pick up the phone
But I sing my song like Romeo
Everything goes so fast
And I'm so slow
I don't want to live in the past
But it helps me to grow
