

**That's no lie**  
**(Stephane LEBOURG)**

They did it  
Almost at the same time  
And every one around me  
Believe it was their time  
But I can tell you, I can tell you now  
That I will never die

Who can tell us  
When is the right time  
Before the hour approaches  
There're gonna be some signs  
I wanna tell, I wanna tell you now  
That I will never die

Caught in the middle  
In the crossfire

I had a strange feeling  
About all these things  
It's a kind of creepy  
Pain and emotion it brings  
So I decided, and I won't be shy  
That I will never die

They've both gone  
Crossed the finish line  
Living us alone  
Gone over to the other side  
So I decided, and that's no lie  
That I will never die

Caught in the middle  
In the crossfire

So I decided, and that's no lie, that I will never die
